

Roll (VTR Series)

- Continuous roll, cut to desired length.
- Tie width: .75".
- Roll length: 15'.
- **VTRAH Series** for air handling applications are UL-listed.

Loop (VTL Series)

- Perforated roll, slotted head.
- Can also anchor with #10 Screw.
- Loop section width: 1".
- Tie width: .50".
- Tie lengths: 8," 12".
- 10 ties per roll.
- **VTLAH Series** for air handling applications are UL-listed.

Strip (VTS Series)

- Perforated roll of strips.
- Tie width: .75".
- Tie lengths: 6," 12" & 18".
- 10 ties per roll.
- **VTSAH Series** for air handling applications are UL-listed.

Cinch (VTC Series)

- Individual ties with cinch ring for secure bundling.
- Tie width: .75".
- Tie lengths: 12," 18".
- 10 ties per bag.

Adhesive-Backed Roll (VWNH and VWNL Series)

- Widths: .5", .75", 1", 1.50", 2.00", 4.00".
- Roll length: 25 yards.
- Order hook and loop separately.
- Black only.

Rivet & Grommet Series

- Black only.

ABMX-4, SMX-4 Mounting Bases

- 4-way entry.
- Large openings accept velcro ties
- Use with Extra Heavy (250 lbs.) and smaller cross-section ties.
- **ABMX-4** with adhesive-backing has countersunk holes for optional screw mounting.
- **SMX-4** has holes for screw mounting, only.

Rivet (VRRC Series)

- Strap attaches permanently (without tools) for quick access to coiled cable or cord.
- Tie widths: .75", 1", 1.5".
- Tie lengths: 6", 9", 12", 15", 20".

External Grommet (VRGE Series)

- Grommet allows attachment to wall or other surfaces.
- Cinch ring increases holding strength.
- Tie width: .75".
- Tie lengths: 4", 6", 9", 12".

Internal Grommet (VRGI Series)

- Grommet allows attachment to wall or other surfaces.
- Cinch ring increases holding strength.
- Tie width: .75".
- Tie lengths: 4", 6", 9", 12".

Middle Grommet (VRGM Series)

- Grommet allows attachment to wall or other surfaces.
- Tie width: .75".
- Tie lengths: 4", 6", 9", 12".

¹ Available in black only.

² Minimum 2" (51 mm) overlap required to achieve loop tensile rating.

³ "AH" in model number signifies use in air handling applications and is UL listed.

Mounting Bases

Model No.	Size In.	(mm)	Description
ABMX-4	2.0 x 2.0	(51 x 51)	Adhesive-backed
SMX-4	2.0 x 2.0	(51 x 51)	Screw Mount
