**15A → 600A UL 489 Circuit Breakers  
Request Bulletin CB-9.**

\*CBC-1H has Fixed Magnetic Trip and adjustable thermal trip.  
CBC-2H has Adjustable Thermal Trip and adjustable magnetic trip.

**Motor or Overload included is approved by UL (UL508).  
Terminal lugs are included with Series CBC Breakers through 250Amp.**

**600 Volt (Heavy Duty) "3 Pole"**

Specifications:

- 12 - 250 Amp
- HP Rated through 100 HP
-  508 Listed Motor Circuit Protector
- Safety Door Interlock Handle (CB-VA11R Type) IP65
- Thermal and Magnetic Protection
- Padlockable Operator

  us 508
