| | Power Block | | |
| | Rechargeable battery pack: | 7.4V 1800mAH Lithium Ion | 6V, 1500mAH NiMH |
| | Data Interface Block | | |
| | Communication speed: | 2400 to 38.4K | 2400 to 38.4K |
| | Communication Interfaces: Bluetooth™: | Available | Available |
| | Magnetic Card Reader (MCR): | 3 track option | 3 track option |
| | User input, selection and feedback: | Push button and LEDs | Push button and LEDs |
| | Special Features | | |
| | Downloadable fonts, barcodes, forms, & logos: | Standard | Standard |
| | Barcodes: Most 1-D barcodes available: | Standard | Standard |
| | Paper roll (diameter): | 1.5" (38mm) | 1.375" (35mm) |
| | High impact ABS fire retardant enclosure: | Standard, plus protective over-molds | Standard plus protective bumpers |
| | Dimensions (HxWxL): | 2.3x4x5.3" (58x102x135mm) | 2.25x4.75x6" (57x121x152mm) |
| | Weight (paper and battery installed): | 16oz (475g) | 20oz (580g) |
| | Optional protective rubberized 'boot' or case: | — | Environmental Case |
| | Performance Characteristics | | |
| | Print Speed: | Up to 2"/sec (51mm/sec) | Up to 2"/sec (51mm/sec) |
| | Columns of text: | 24/32/38/40/42/48 | 36/48/57/60/63/72(80 available) |
| | Lines per second: | 4 (48), 5 (38-42) 6 (24-32) | 4 (72), 5 (57-63), 6 (48), 7 (36) |
| | Lines of Print per Roll: | 5,200 | 4,400 |
| | Rolls of Paper per charge: | 6+ | 6 |
| | MTBF (Mean Time Between Failure): | 31mi (50km) or 100 million pulses (~6yrs) | 31mi (50km) or 100 million pulses (~6yrs) |

S2500THS
From
\$595

2 1/4" (57mm) High Speed Portable Receipt Printer

Smallest and fastest printer with EZ load paper system

- Complete with Lithium Ion battery, fast 180 minute AC charger, 2 rolls of paper, protective rubber over-molds, and belt-loop system

S3500T
From
\$695

3" (76mm) High Speed Portable Receipt Printer

Highly portable printer with EZ load design

- Complete with NiMH battery, fast 90 minute AC charger, 2 rolls of paper, protective bumpers, and belt-loop system

S3000T(HS)
From
\$695

3" (76mm) Portable Receipt Printer

Durable printer support for foreign languages, barcodes, and logos

- Complete with NiMH battery, fast 90 minute AC charger, and 2 rolls of paper

S2000T(EF)
From
\$650

2 1/4" (57mm) Receipt Portable Printer

Extra rugged design with large paper capacity (56ft/17m)

- Complete with NiMH battery, fast 90 minute AC charger, and 2 rolls of paper

MST IV (FC)
From
\$495

2 1/4" (57mm) Mini Portable Receipt Printer

Smallest and lightest receipt printer with extended font, barcode, and logo support

- Complete with NiMH battery, fast 90 minute AC charger, and 2 rolls of paper

Standard Features

- All Portable printers featured here are:
 - Light weight
 - Easy to wear
 - IRDA interface
 - Serial Port
 - Flash memory
 - FCC and CE certified
 - 1 year warranty (includes print head)

Optional Features

- Integrated Bluetooth™ module for wireless communication — available only for S2500THS and S3500T
- SCR (Smart Card Reader) — available only for S3500T
- MCR (Magnetic Card Reader)
