4000-5000	See "SB" Type Insulated Case Breakers				

① For 2-pole application use outside poles of 3-pole circuit breaker.
 ② Molded case switches up to R frame contain a self protecting instantaneous element, which may open circuit above their override set point.
 ③ Consult sales office for prices.

Ordering Information

► Order by catalog number. Switches include frame and self-protective (except TD) trip unit only. Order lugs separately from pages 854-856.
